
LETTER TO THE MANAGEMENT

January 2, 2017

Dear Sir/Madam:

We have what could possibly be the greatest idea EVER! With the popularity of The Bachelor TV show, we suggest doing The Big Cat-chelor TV Show! Imagine the viewership we could get!

As evidenced by the way the female tigers react to us when they are on vacation across the street, we are obviously the two most sought-after tigers at BCR and so would naturally be the Cat-chelors.

The Vacation Rotation would be our bachelor pad. We would be housed there with two female tigers at a time, and we would eliminate them two by two until we find our perfect matches!

The first two would of course be Zabu and Sapphire, because you know our affinity for blondes.

We think this would be a win/win for all of us. Amanda would probably be ticked off, but she's always ticked off about something anyway. She may be our sister, but she just needs to learn to chill out.

If the Big Cat-chelor TV Show doesn't meet with your approval, then at the very least we would like our enclosure to be renamed the "Playcat Mansion." We're pretty sure Hugh Hefner would be proud of that.

Sincerely,

Arthur and Andre Tigers
(Sent via Lori D., Secretary to the Cats)
