
LETTER TO THE MANAGEMENT

January 8, 2017

Dear Sir/Madam:

Now that my BFF Spirit Feather has been released to the wild (I miss her already), I have a request. Since there are now some new bobcat rehab cages, and everyone has a vacation rotation except me, I think it would only be fair that Spirit Feather's old digs be named "Monty's Vacation Home."

To be fair, I was there before Spirit Feather, so she actually stayed in MY space.

I'm not asking for two weeks like the big cats; I don't need that much time because Chelsea takes such good care of me. But a day or two would be kinda nice. You could put my peanut butter out there for me to eat and maybe a toy or two. That's all. I'm pretty easy going.

It would be nice to be back there and remember the time I spent with Spirit Feather and smell her smell again, and visit the old haunts. And I figure I better ask quickly, before those two stinky playboy tigers try to turn it into a love nest or something.

Please consider my request. Thank you.

Sincerely,

Monty
