Translation:

Dear Sir/Madam:

What is this rumor I hear about somebody coming to cut off my dreads? I'm not happy about this at all.

That Dr. Justin better not show up here with Pokey! I have a sign posted on my enclosure telling him he is NOT welcome here.

If he tries to cut off my dreads, we will have a big problem.

I am the King and have the last word around here – and don't you forget it!

Sincerely, Joseph Lion
