

NOTICE OF EVICTION

TO: Arthur Tiger, Andre Tiger, Amanda Tiger

RE: The Outback, 12802 Easy Street, Lakeside, Tampa,
Florida 33625

You are hereby put on notice that **YOU MUST VACATE AND SURRENDER THE ABOVE PREMISES IMMEDIATELY**. This notice is being issued pursuant to Florida law.

This action is being taken because you moved in illegally and without his consent while the current tenant ("Joseph Lion") was on vacation. Furthermore, you have been taunting him, have ruined his flower bed, left foul odors (a/k/a "stinky tiger smell") throughout the enclosure, and have moved and possibly destroyed treasured art objects (the red barrel).

Also, you have been posing in front of the camera installed in the enclosure to try to sway Joseph Lion's fan base to watching tigers instead. This is unacceptable.

You have the right to state reasons why you think you should not be evicted, but quite frankly Joseph Lion does not wish to hear them. Just get out.
