
COMPLAINT FOR DEFAMATION OF CHARACTER

Filed: June 28, 2017

I, Nikita Lioness (a/k/a Her Royal Lioness), living at Big Cat Rescue, 12802 Easy Street, Tampa, Florida 33625, since November 30, 2001, have maintained a good reputation since that time.

It is my belief that explore.org camera operator "Snick" has produced defamatory statements against me on aforesaid website. These comments have caused me injuries and damages from which I seek reparations.

On June 27, 2017, the Defendant published a statement claiming "she looks kind of wide here." The Cat Burglar of Big Cat Rescue came to my defense immediately by pointing out the rudeness of that statement.

The Defendant was also taken to task regarding that statement on June 28, 2017, by the Secretary to the Cats – and again the Defendant posted "...the fact is, she's wide, right?"

This publication of these false statements has taken a toll on my mental and physical health. I now suffer from severe insomnia and depression as a result of this incident. I therefore seek punitive and compensatory damages and whatever else the court sees just and fit to award.

However, I will drop the lawsuit upon daily delivery of chicken for the next two weeks.

Signed,

Nikita, Her Royal Lioness
(Sent via Lori D., Secretary to the Cats)
