
LETTER TO THE MANAGEMENT

July 1, 2017

Dear Sir/Madam,

My name is being dragged through the mud on the internet and I don't like it. I don't like it one bit.

Comments have been made recently about the initials HRL really standing for "Her Roundbelly Lioness." Remarks are being made about my "large belly" or my "gullet" making an impression in the soft sand underneath my platform - which is now being referred to as "Lion Lake." And there is a cam op who keeps referring to me as "wide."

As a result of all this, I haven't slept peacefully in days. I am having trouble with nightmares now when I do fall asleep, am severely depressed, and have become overly concerned about how I appear on camera.

I am simply outraged that anyone would dare speak about a Royal in this manner.

Therefore, I am requesting that in the future anyone who speaks ill of me be visited by my BFF, Dr. Justin, and his little friend "Pokey" the dart gun.

Sincerely,

Her Royal Lioness, Nikita
(Sent via Lori D., Secretary to the Cats)
