MOREKATZ AND A RAT**

July 31, 2017

ATTENTION: Facebook Police Force

Dear Sir/Madam:

On behalf of our clients, the Cats of Big Cat Rescue, we hereby DEMAND that you release LaWanna Mitchell, our Social Maven, from Facebook jail.

LaWanna is a valued member of our staff. Because you have her in Facebook jail she cannot post the information that our fans have come to rely on daily. BCR fans are going into withdrawal because there have been no Facebook contests or hi-res pictures of our clients to download since she has been incarcerated.

Furthermore, we demand to know the list of charges against our client. Was she mean to her chickens? Her goats? Her pets? Her neighbors? Did she jaywalk? Drive on the wrong side of the street? Go through a stop sign? Why exactly is she incarcerated?

She cannot survive on prison meals of bread and water. Furthermore, she hates orange jumpsuits. (Be honest; no one looks good in those.)

We demand this injustice be corrected, and request the release of our Social Maven immediately. If this demand is not met, King Joseph and Her Royal Lioness Nikita request a personal meeting with you and your staff. Please bring onions, garlic, and condiments.

Sincerely,

U.R. Gonnabesorry, Partner  
The Law Firm of Catz, Kats, Morekatz and a Rat
