

**FROM THE LAW FIRM OF CATZ, KATS,
MOREKATZ AND A RAT**

March 26, 2018

Dear Mr. B. Cakes:

Our office was notified this morning that at some point today one of your Lesser Associates stole the new baby bobkitten's stuffed squirrel.

Astonishingly, the culprit not only admitted to the heinous crime, but had the audacity to brag about it on Facebook and post a picture!

We expect swift and immediate action be taken by your office against this Lesser Associate.

We also demand that the stuffed squirrel immediately be returned to the bobkitten in question.

If your office does not comply with our demand, we will be forced to take further legal action.

We hope it does not have to come to that.

Thank you for your attention.

Sincerely,

Wirgonna Getchu, Partner
Catz, Kats, Morekatz and a Rat
